25% OFF MIXED OR SOLID CASE PURCHASES OF PIANETTA WINES

PIANETTA FAMILY WINERY, PASO ROBLES, CA- Pianetta is a new boutique, small production winery that is new to the North Carolina and at least for the time being we have been granted exclusive selling rights to the product in the Wilmington market. Their product line consists of the following six wines:

- **2006 CABERNET SAUVIGNON, MONTEREY, CA (\$33.99)** - This 100% Cabernet has dark berry flavors and smooth oak tannins that are accented by a long balanced finish. There is a velvet mouth feel and solid structure to the wine with balanced acidity that I am told implies great ageing for the next 5-10 years. We are very excited to have been given the exclusive opportunity to handle these wines (**667 CASES PRODUCED**).
- **2007 SANGIOVESE, PASO ROBLES, CA (\$33.99)** - The grapes for the 2007 Sangiovese are sourced from the Algunas Dias Vineyard in Paso Robles, a new California hot spot for quality wines. It has aromas of berries with flavors of cherry and honeysuckle followed by crisp acid and mild tannins on the finish. A great pairing for any mild meat or tomato based sauce (**197 CASES PRODUCED**).
- **2007 PETITE SIRAH, PASO ROBLES, CA (\$33.99)** - The 2007 100% Petite Sirah is considered by the winemaker as the boldest wine that they produce. It is a full bodied yet delicately refined red wine with a nose that reveals lavender and a medley of berry flavors. As the wine hits your palate and the layers begin to reveal themselves, the complexity and diversity of flavors is difficult to describe. Earth, anise, and herb notes outline the more intense rounded fruit flavors of cranberry and boysenberry. This Petite Sirah finishes with soft but distinct tannins (**335 CASES PRODUCED**).
- **2007 ZINFANDEL, PASO ROBLES, CA (\$35.99)** - The 2007 Zinfandel has light smoke and chocolate on the nose with heavy red cherry flavors becoming apparent as you take a second whiff. As you taste this inaugural vintage of Zinfandel, there is a hint of clove and fig on the mid palate with fantastic acid balance and a light smooth finish for a young wine. This zinfandel hails from the Algunas Dias vineyard of San Miguel in Paso Robles (**337 CASES PRODUCED**).

PIANETTA FAMILY WINERY (Continued)

- **2007 SYRAH, MONTEREY, CA (\$32.99)** - A bold balance of black cherry and dark plum flavors permeate the velvety mouth feel and soft tannins. Mild herb notes melt into mild leather and tobacco. This wine is drinkable now and will bottle age to a rich elegant wine. This wine is young for a Syrah, and will no doubt open up with decanting or over the course of a rich hearty meal **(457 CASES PRODUCED)**.
- **2007 BILANCIO, MONTEREY, CA (\$38.99)** - “Bilancio” is an Estate blend of Cabernet Sauvignon and Syrah from Pianetta Vineyards. The 2007 vintage is 57% Syrah and 43% Cabernet. The nose is a soft dark cherry with a hint of clove and warm caramel. This is a well-balanced wine with dark fruit flavors of blackberry, black cherry and finishing with mild tannins **(350 CASES PRODUCED)**.
